Outreach to New Jersey's South Asian Community

CCOE, in partnership with [Robert Wood Johnson Medical School](#), the [South Asian Total Health Initiative \(SATHI\)](#) and the [Center for Healthy Families and Cultural Diversity \(CHFCD\)](#), is conducting a new educational initiative in response to the health care needs of the South Asian population in New Jersey. This conference, entitled **Addressing Health Disparities and Health Literacy Challenges in the South Asian Community**, will help raise awareness of the increased burden of chronic illness and health disparities experienced by South Asian communities, and specifically address issues for health conditions such as diabetes, depression, cardiovascular disease, hyperlipidemia, tuberculosis, and cancer.
